5 DOCTORS ENLIST

MARYVILLE PHYSICIANS ANSWER COUNTRY'S CALL TO SERVICE.

TO MEET AGAIN FRIDAY

Members of Profession Will Decide Definitely What Action Will be Taken to Fill the Quota.

Dr. Chas. T. Bell, Dr. Will M. Wallis, Dr. H. S. Rowlett, Dr. K. C. Cummins and Dr. Frank Wallis have offered their services as physicians to the United States government and if accepted will leave on call for duty wherever they may be required. Drs. Rowlett Cummins and Frank Wallis have already made out enlistment applications and Drs. Bell and Will Wallis leave this afternoon for Kansas City to make enlistment.

Physiciansof the county will be called to meet in Maryville on Friday morning at nine o'clock when those of military age will decide who among them will fill out the remainder of the number asked for from this county to serve in the medical reserve corps. This was decidedon Monday at a meeting of the committee composed of Dr. Chas. T. Bell, Dr. W. M. Wallis and Dr. F. R. Anthony.

Said a leading Maryville physician this morning, "We have got to wake up to the fact that we are at war and we must feel the obligation to answer our country's call. There is no use to procrastinate, we are losing time. We are too indifferent about the matter. Nodaway is the only county in the state in which there has not been concerted action by its medical men in offering their services to the government. Some of us must go and we must not put it off. The need is urgent."

The physician further said that he believed the doctors and other professional and business men should get together in patriotic meetings and talk things over and get informed on what was going on and the extreme need for prompt action along every line. He pointed out that at the recent meeting in Chicago of medical men from every state in the union, they told Secretary Daniels they had come there for a week of prayer rather than to discuss professional questions and ethics. They told him they were ready as physicians to offer their services to the government and in resolutions adopted, urged that the press of the country omit mention of an early end to the war as present indications all pointed to a long struggle.

Every physician in the county is urged to be here Friday to attend the meeting that has been called.

PROFIT TO WELFARE BOARD

Purchasers of Tickets to Winter Chautauqua Have Opportunity to Help in Charity's Cause.

Patrons of the winter chautauqua attractions that will be given at the First Methodist church beginning Friday night will have the pleasure of knowing that any profit that is realized from the sale of tickets after the performers expenses are paid, will be given to the Welfare Board. This fact is also an added incentive to purchase tickets, for besides seeing a series of five attractions that usually get from $1 to $2 in the cities for an average of forty cents each, a most worthy cause is being helped.

Fred P. Robinson and Rev. Gilbert S. Cox, who have been largely instrumental in securing the course for Maryville, are both active in Welfare Board work and hope to see ticket sales for the course largely increased following this announcement, for the Welfare Board is going to have plenty of calls this winterfor aid and the treasury is low. The promoters of the course guarantee that every number is well worth while and should please any audience. Tickets are now on sale at the Landon Music Co.

R.S.Braniger, who was severely burned at his home when a hot water boiler exploded is reported rapidly recovering, butit will be some time before he can leave St. Francis Hospital where he has been since the accident. This is believed to be the first instance where the new treatment for burns has been used in Maryville.

1,000 WILL BE HERE

COUNT ON THAT MANY AT CONVENTION, SAYS SECRETARY.

COUNTIES IN A CONTEST

Harrison and Nodaway Have Aroused Interest All Over This Part of State—Praise for Leaders.

Indications point to an unusually large attendance at the State Sunday School Convention on November 20-22 with two counties in a contest for attendance and other counties promising to send large delegations. More than a hundred are expected to come from Kansas City and St. Joseph, while other towns in this part of the state will be well represented.

The following letter from Sterling L. Williams, field secretary, to G. B. Roseberry, president of the county association, says that 1,000 will be here:

Mr. Williams' letter follows:

Mr. G. B. Roseberry,
Maryville, Mo.

My Dear Mr. Roseberry:

I have just received notice that Nodaway county is to contest with Harrison county for the largest delegation to the State Sunday School Convention, Maryville, Mo., Nov. 20-22, 1917. I am delighted to hear of your friendly rivalry in such a worthy cause. I hope you both win.

The counties are well matched except that Nodaway delegates are nearer, but this is offset by Maryville having no part in the contest. Both counties are well organized and have about the same number of schools. Again the counties are well matched in their leadership. Few counties in Missouri have such strong, capable, enthusiastic leaders. Great work is being accomplished under their influence and direction. Nodaway has a worthy and effective competitor in Harrison. If you lose to this county you need not in the least feel humiliated, but if you win great honor is yours.

All Northwest Missouri is eagerly watching this contest. Many other counties in other parts of the state are watching with interest equally as keen. All of us expect you to give a demonstration of the highest Sunday school enthusiasm. Delegates one thousand strong will greet the Nodaway boosters at Maryville on Nov. 20. Luck to you.

Sincerely yours,
STERLING L. WILLIAMS,
Field Secretary.

CO L BOYS "OVER THE TOP"

In Practice Skirmish at Funston Nodaway Men Made a Fine Showing, John Mutz Writes.

In a letter to the Democrat-Forum John Mutz at Camp Funston writes: "Several Nodaway county boys with others from 356th Regiment are being transferred to Camp Pike, Little Rock, Ark. The third battalion had a skirmish Friday morning. It was very interesting. We captured two outposts and about thirty men. Our lieutenant said that would rate Co. L up to the top, as in war this would be very destructive to the other side. About forty new Enfield rifles have arrived here for Co. L.

BOOZE IS HIT AGAIN

WELLS FARGO ORDERS EMBARGO ON IN NODAWAY COUNTY.

SAWYERS WINS THE FIGHT

Wabash and Great Western Roads Will Handle no More Booze, Advises Crawford, Supt.

Maryville and other towns in Nodaway county advanced another step today towards the "bone dry" column with the announcement from J. M. Crawford, superintendent of the Wells-Fargo Express Co., at St. Louis, that shipments of liquor over the Wabash and Great Western would not be handled. The announcement came to Prosecuting Attorney W. G. Sawyers, who has been in communication with Mr. Crawford for some time in an effort to get the company to aid in the efforts that are being made to keep the county dry. From now on no booze shipments will be handled at any station on the Wabash or Great Western in Nodaway county.

The order by the Wells-Fargo company now allows but one other means of getting liquor—to bring it in by automobile or other road vehicle, the Burlington having some months ago discontinued receiving shipments of liquor in the county.

Prosecuting Attorney Sawyers said that Mr. Crawford had given every consideration to the claims that were made by his office and that he was particularly pleased with the decision. "I have had the support of every agent on the Wabash and Great Western roads in the effort to get the company to discontinue shipments of liquor into the county, for since the county voted dry, express shipments have been the cause of much annoyance to them."

Since the Burlington put the bars up the Wabash and Great Western have handled a large amount of liquor business from wet towns as far east as St. Louis, while St. Joseph firms have used the Great Western to get into Maryville. From now on dirt roads only will be at the service of patrons of the liquor houses.

HAD DINNER WITH THE JUDGE

But Judge Blackford's Friends Who Spent the Day With Him Sunday Brought It With Them.

When W. M. Blackford, presiding judge of the county court, went home from church Sunday morning and sighted some ten or fifteen automobiles drawn up about the house, he began to wonder whether the crowd represented a foreign embassy calling upon him or just a delegation of citizens who wanted a bridge fixed. It was neither, as he learned when he reached the house, but a crowd of his neighbors and friends from the surrounding country and from Clearmont come to spend the day with him—and the judge says the best of it was they brought plenty to eat with them. They stayed throughout the afternoon, the men folks looking over Judge Blackford's place while the women talked wheatless and meatless meals and food conservation.

ATTACK FROM NORTH

GEN. MACKENSEN'S FORCES HAVE CROSSED THE TAGLIAMENTO

ITALIANS FACING ODDS

Cadorna's Forces Evacuate Mountain Areas to Establish Battle Line—are Being Hard Pressed.

Special to The Democrat-Forum.

Rome, Nov. 6.—Portions of the mountaineous area along the Tagliamento river have been evacuated by the Italian forces in order to establish a battle line, the war office has announced. The enemy had pushed toward the middle and along the lower course along the river, the announcement said.

The Italian forces are battling against two fold odds today in their determination to prevent a further invasion by the enemy. Mackensen's forces have affected a crossing of the Tagliamento above Pinzino and are today engaged in battle with the third Italian army, the last to cross the river in the retreat from Udine. The Von Bulow forces, having won the passes in the Carnical Alps, are coming down from the north. Advices from the front are to the effect that they are meeting with stubborn resistance. ositions of the two divisions of Cadorna's army leads military authorities to believe that the Italian commander has not yet reached the point where he plans to make a determined stand.

Why Sign the Food Pledge?

The reasons for signing the food pledge and complying with its provisions are the same as the reasons for buying Liberty Bonds, enlisting in the army, or increasing production. This is one branch of the national service which is open to every person in the United States.

(1). To give every food consumer a chance to support the nation.

(2). To conserve foods, particularly wheat, meat, fats, and sugar.

(3). To give men and children as well as the housewives a chance to conserve food.

(4). To make available for the army more wheat, meats, fats, and sugar, of which there is a world shortage.

(5). To make available more food stuff for the people who are fighting our battles.

(6). By signing the food pledge each person indicates his loyalty and patriotism and answers the German campaign of fightfulness.

(7). By signing the food pledge and carrying out its provisions families will thus be able to live more cheaply and at the same time perform a national service.

(8). By conserving now the secrifice will be reduced to the minimum and the people of tihs country may not need to undergo the want and disaster that the European people are suffering.

Studebaker TRADE-IN-SALE

BEGINS TOMORROW

---the chance of a lifetime to trade your old car!

A genuine opportunity for owners of GOOD used cars

It may seem strange for a dealer to openly announce a Trade-in Sale, when you remember the way automobile men used to side-step the used car question.

But frankly, we have a waiting market for a number of good used cars—for Studebakers and eight other standard makes. This fact together with present reasonable prices on new Studebaker cars, enables us to offer a very attractive trade-in plan.

That's the reason for our special Trade-in sale which starts tomorrow. It probably won't last long because we'll soon have all the used cars we can handle.

But while it lasts you have a wonderful opportunity to trade your old car for a new, powerful, stylish and roomy Studebaker.

New cars are steadily advancing in price. Well informed men say they may be fifty per cent higher before spring. It is economy, then, to trade your car in on a new Studebaker which we can now offer you at a saving of several hundred dollars over any car on the market of equal quality, and certainly more than we can save you next spring.

Come in today and let us explain our new liberal Trade-in plan.

FARMERS DID THEIR DUTY

Governor Gardner Takes Issue with Chicago Bankers Who Declared the Farmers Were Slackers.

Keytesville, Mo., Nov. 6.—"I'm proud of the way Missouri farmers have come to the front and done their duty in the great national crisis," Governor Gardner declared in a speech here recently at the Annual Round-up Corn Show.

He took issue with the Chicago banker who declared that the farmers of the country would neither fight, pay taxes, or buy Liberty bonds.

He traced the history of the farmer from the Battle of Concord to the sinking of the Antilles and showed how the farmer had come to the front in every national crisis and had rallied to the support of the government.

Maryville Physician Surprised.

"Hearing of some good results from the use of Mayr's Wonderful Remedy I decided to try it on a chronic case of indigestion and gastritis I was interested in. After the first dose the patient was relieved of gas trouble and was soon able to eat radishes and most everything else he had not eaten in years. It is a simple, harmless remedy that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. TEACHERS ARE IN DEMAND

Especially Those Trained in Some Branch of Agriculture are Being Sought, Says Dean Mumford.

Columbia, Mo., Nov. 6. — Many requests for men trained in some branch of agriculture are being received by Dean Mumford of the College of Agriculture, University of Missouri here.

Hundreds of men and women have obtained good jobs through these requests.

Even the lowest salaries are higher than those paid in other professions. Frequently graduates from the College of Agriculture get jobs paying from $1200 to $1800 a year in the beginning.

There is a great demand for teachers in agricultural schools and high schools. The commerical field is requiring more and more technically trained agricultural workers and various branches of state and government are requiring persons with agricultural training.

Kansas City Stock Letter.

Top Price Yesterday was $17.35 — Hogs Took a Slight Drop, but a Big Demand Keeps Up.

Kansas City Stock Yards, Nov. 5, 1917.—Cattle receipts today were 18,000 head, market steady to strong, regardless of weakness at other points, nothing choice in the early arrivals, but some good Kansas cattle expected late, worth around $15. Hog receipts were 4000, market steady to order buyers, top $17.35, packers bidding 15 to 25 lower at the close. Sheep and lambs today 6000, market weak, best lambs unsold at noon.

Beef Cattle.

Nothing better than $11.75 had been paid up to noon, this price given for Pansas grazed branded steers weighing 1150 lbs. Lighter steers sold down to $8.50, steady with recent advances, the steer market 25 to 35 higher than a week ago, and materially higher than two weeks ago. Cows are strong today, and $1.00 or more higher than three weeks ago, best natives around $10, range westerns and Panhandle cows $6.85 to $9, canners $5.50 to $6.00. Receipts of cows have been liberal, but buyers have a place for more than are coming. Veals are firm, up to $13.25.

Stockers and Feeders.

Buyers were scarce last week, and stock cattle accumulated, especially calves and yearlings. Feeders sold readily last week, buyers in certain sections wanting them to eat soft corn, but stock cattle closed 50 cents or more lower. The market is strong today, on all weights of stockers and feeders, a good many buyers here. Stock steers sell at $6.50 to $9, feeders $8.50 to $11.50.

Hogs.

After making good gains last week, the hog market took a turn downward Saturday, which was continued today at Chicago, but not here on the early market. Order buyers bought all the good hogs at steady prices this morning, best heavy hogs $17.35, medium weight $17.25, light $17.10. Packers came out late and paid 15 to 25 lower, but they got no good hogs, bulk of sales for the day $16.50 to $17.25. Small Eastern killers are proving a powerful factor in keeping up prices, and packers have small chance to bear prices, with the available supply of hogs barely sufficient to supply current needs for fresh pork.

Sheep and Lambs.

The market had two good days last week, but has relapsed into its weak and dull condition. Some choice lambs were held at $17.25 here today, but with no chance of realizing more than $16.25 at the outside. Native lambs sold at $16 and some feeding lambs brought $16.40. Apathy of packers is based on the grounds that dressed mutton and lamb are losing money, but stronger prices are expected with colder weather. Breeding ewes are plentiful at reduced prices, $10.50 to $14.50.

Market Correspondent.

VOLUME 8. MARYVILLE, MISSOURI, TUESDAY, NOV. 6, 1917 NO. 133.

5 DOCTORS ENLIST

MARYVILLE PHYSICIANS ANSWER COUNTRY'S CALL TO SERVICE.

TO MEET AGAIN FRIDAY

Members of Profession Will Decide Definitely What Action Will be Taken to Fill the Quota.

Dr. Chas. T. Bell, Dr. Will M. Wallis, Dr. H. S. Rowlett, Dr. K. C. Cummins and Dr. Frank Wallis have offered their services as physicians to the United States government and if accepted will leave on call for duty wherever they may be required. Drs. Rowlett Cummins and Frank Wallis have already made out enlistment applications and Drs. Bell and Will Wallis leave this afternoon for Kansas City to make enlistment.

Physiciansof the county will be called to meet in Maryville on Friday morning at nine o'clock when those of military age will decide who among them will fill out the remainder of the number asked for from this county to serve in the medical reserve corps. This was decidedon Monday at a meeting of the committee composed of Dr. Chas. T. Bell, Dr. W. M. Wallis and Dr. F. R. Anthony.

Said a leading Maryville physician this morning, "We have got to wake up to the fact that we are at war and we must feel the obligation to answer our country's call. There is no use to procrastinate, we are losing time. We are too indifferent about the matter. Nodaway is the only county in the state in which there has not been concerted action by its medical men in offering their services to the government. Some of us must go and we must not put it off. The need is urgent."

The physician further said that he believed the doctors and other professional and business men should get together in patriotic meetings and talk things over and get informed on what was going on and the extreme need for prompt action along every line. He pointed out that at the recent meeting in Chicago of medical men from every state in the union, they told Secretary Daniels they had come there for a week of prayer rather than to discuss professional questions and ethics. They told him they were ready as physicians to offer their services to the government and in resolutions adopted, urged that the press of the country omit mention of an early end to the war as present indications all pointed to a long struggle.

Every physician in the county is urged to be here Friday to attend the meeting that has been called.

PROFIT TO WELFARE BOARD

Purchasers of Tickets to Winter Chautauqua Have Opportunity to Help in Charity's Cause.

Patrons of the winter chautauqua attractions that will be given at the First Methodist church beginning Friday night will have the pleasure of knowing that any profit that is realized from the sale of tickets after the performers expenses are paid, will be given to the Welfare Board. This fact is also an added incentive to purchase tickets, for besides seeing a series of five attractions that usually get from $1 to $2 in the cities for an average of forty cents each, a most worthy cause is being helped.

Fred P. Robinson and Rev. Gilbert S. Cox, who have been largely instrumental in securing the course for Maryville, are both active in Welfare Board work and hope to see ticket sales for the course largely increased following this announcement, for the Welfare Board is going to have plenty of calls this winterfor aid and the treasury is low. The promoters of the course guarantee that every number is well worth while and should please any audience. Tickets are now on sale at the Landon Music Co.

1,000 WILL BE HERE

COUNT ON THAT MANY AT CONVENTION, SAYS SECRETARY.

COUNTIES IN A CONTEST

Harrison and Nodaway Have Aroused Interest All Over This Part of State—Praise for Leaders.

Indications point to an unusually large attendance at the State Sunday School Convention on November 20-22 with two counties in a contest for attendance and other counties promising to send large delegations. More than a hundred are expected to come from Kansas City and St. Joseph, while other towns in this part of the state will be well represented.

The following letter from Sterling L. Williams, field secretary, to G. B. Roseberry, president of the county association, says that 1,000 will be here:

Mr. Williams' letter follows:

Mr. G. B. Roseberry,
Maryville, Mo.

My Dear Mr. Roseberry:

I have just received notice that Nodaway county is to contest with Harrison county for the largest delegation to the State Sunday School Convention, Maryville, Mo., Nov. 20-22, 1917. I am delighted to hear of your friendly rivalry in such a worthy cause. I hope you both win.

The counties are well matched except that Nodaway delegates are nearer, but this is offset by Maryville having no part in the contest. Both counties are well organized and have about the same number of schools. Again the counties are well matched in their leadership. Few counties in Missouri have such strong, capable, enthusiastic leaders. Great work is being accomplished under their influence and direction. Nodaway has a worthy and effective competitor in Harrison. If you lose to this county you need not in the least feel humiliated, but if you win great honor is yours.

All Northwest Missouri is eagerly watching this contest. Many other counties in other parts of the state are watching with interest equally as keen. All of us expect you to give a demonstration of the highest Sunday school enthusiasm. Delegates one thousand strong will greet the Nodaway boosters at Maryville on Nov. 20.

Luck to you.

Sincerely yours,
STERLING L. WILLIAMS,
Field Secretary.

CO L BOYS "OVER THE TOP"

In Practice Skirmish at Funston Nodaway Men Made a Fine Showing, John Mutz Writes.

In a letter to the Democrat-Forum John Mutz at Camp Funston writes: "Several Nodaway county boys with others from 356th Regiment are being transferred to Camp Pike, Little Rock, Ark. The third battalion had a skirmish Friday morning. It was very interesting. We captured two outposts and about thirty men. Our lieutenant said that would rate Co. L up to the top, as in war this would be very destructive to the other side. About forty new Enfield rifles have arrived here for Co. L.

BOOZE IS HIT AGAIN

WELLS FARGO ORDERS EMBARGO ON IN NODAWAY COUNTY.

SAWYERS WINS THE FIGHT

Wabash and Great Western Roads Will Handle no More Booze, Advises Crawford, Supt.

Maryville and other towns in Nodaway county advanced another step today towards the "bone dry" column with the announcement from J. M. Crawford, superintendent of the Wells-Fargo Express Co., at St. Louis, that shipments of liquor over the Wabash and Great Western would not be handled. The announcement came to Prosecuting Attorney W. G. Sawyers, who has been in communication with Mr. Crawford for some time in an effort to get the company to aid in the efforts that are being made to keep the county dry. From now on no booze shipments will be handled at any station on the Wabash or Great Western in Nodaway county.

The order by the Wells-Fargo company now allows but one other means of getting liquor—to bring it in by automobile or other road vehicle, the Burlington having some months ago discontinued receiving shipments of liquor in the county.

Prosecuting Attorney Sawyers said that Mr. Crawford had given every consideration to the claims that were made by his office and that he was particularly pleased with the decision. "I have had the support of every agent on the Wabash and Great Western roads in the effort to get the company to discontinue shipments of liquor into the county, for since the county voted dry, express shipments have been the cause of much annoyance to them."

Since the Burlington put the bars up the Wabash and Great Western have handled a large amount of liquor business from wet towns as far east as St. Louis, while St. Joseph firms have used the Great Western to get into Maryville. From now on dirt roads only will be at the service of patrons of the liquor houses.

HAD DINNER WITH THE JUDGE

But Judge Blackford's Friends Who Spent the Day With Him Sunday Brought It With Them.

When W. M. Blackford, presiding judge of the county court, went home from church Sunday morning and sighted some ten or fifteen automobiles drawn up about the house, he began to wonder whether the crowd represented a foreign embassy calling upon him or just a delegation of citizens who wanted a bridge fixed. It was neither, as he learned when he reached the house, but a crowd of his neighbors and friends from the surrounding country and from Clearmont come to spend the day with him—and the judge says the best of it was they brought plenty to eat with them. They stayed throughout the afternoon, the men folks looking over Judge Blackford's place while the women talked wheatless and meatless meals and food conservation.

ITALIANS FACING ODDS

Cadorna's Forces Evacuate Mountain Areas to Establish Battle Line—are Being Hard Pressed.

Special to The Democrat-Forum.

Rome, Nov. 6.—Portions of the mountaineous area along the Tagliamento river have been evacuated by the Italian forces in order to establish a battle line, the war office has announced. The enemy had pushed toward the middle and along the lower course along the river, the announcement said.

The Italian forces are battling against two fold odds today in their determination to prevent a further invasion by the enemy. Mackensen's forces have affected a crossing of the Tagliamento above Pinzino and are today engaged in battle with the third Italian army, the last to cross the river in the retreat from Udine. The Von Bulow forces, having won the passes in the Carnical Alps, are coming down from the north. Advices from the front are to the effect that they are meeting with stubborn resistance. ositions of the two divisions of Cadorna's army leads military authorities to believe that the Italian commander has not yet reached the point where he plans to make a determined stand.

Why Sign the Food Pledge?

The reasons for signing the food pledge and complying with its provisions are the same as the reasons for buying Liberty Bonds, enlisting in the army, or increasing production. This is one branch of the national service which is open to every person in the United States.

(1). To give every food consumer a chance to support the nation.

(2). To conserve foods, particularly wheat, meat, fats, and sugar.

(3). To give men and children as well as the housewives a chance to conserve food.

(4). To make available for the army more wheat, meats, fats, and sugar, of which there is a world shortage.

(5). To make available more food stuff for the people who are fighting our battles.

(6). By signing the food pledge each person indicates his loyalty and patriotism and answers the German campaign of fightfulness.

(7). By signing the food pledge and carrying out its provisions families will thus be able to live more cheaply and at the same time perform a national service.

(8). By conserving now the sacrifice will be reduced to the minimum and the people of tihs country may not need to undergo the want and disaster that the European people are suffering.

TRADE-IN-SALE

BEGINS TOMORROW

---the chance of a lifetime to trade your old car!

A genuine opportunity for owners of GOOD used cars

It may seem strange for a dealer to openly announce a Trade-in Sale, when you remember the way automobile men used to side-step the used car question.

But frankly, we have a waiting market for a number of good used cars—for Studebakers and eight other standard makes. This fact together with present reasonable prices on new Studebaker cars, enables us to offer a very attractive trade-in plan.

That's the reason for our special Trade-in sale which starts tomorrow. It probably won't last long because we'll soon have all the used cars we can handle.

But while it lasts you have a wonderful opportunity to trade your old car for a new, powerful, stylish and roomy Studebaker.

New cars are steadily advancing in price. Well informed men say they may be fifty per cent higher before spring. It is economy, then, to trade your car in on a new Studebaker which we can now offer you at a saving of several hundred dollars over any car on the market of equal quality, and certainly more than we can save you next spring.

Come in today and let us explain our new liberal Trade-in plan.

FARMERS DID THEIR DUTY

Governor Gardner Takes Issue with Chicago Bankers Who Declared the Farmers Were Slackers.

Keytesville, Mo., Nov. 6.—"I'm proud of the way Missouri farmers have come to the front and done their duty in the great national crisis," Governor Gardner declared in a speech here recently at the Annual Round-up Corn Show.

He took issue with the Chicago banker who declared that the farmers of the country would neither fight, pay taxes, or buy Liberty bonds.

He traced the history of the farmer from the Battle of Concord to the sinking of the Antilles and showed how the farmer had come to the front in every national crisis and had rallied to the support of the government.

After the first dose the patient was relieved of gas trouble and was soon able to eat radishes and most everything else he had not eaten in years. TEACHERS ARE IN DEMAND

Especially Those Trained in Some Branch of Agriculture are Being Sought, Says Dean Mumford.

Columbia, Mo., Nov. 6. — Many requests for men trained in some branch of agriculture are being received by Dean Mumford of the College of Agriculture, University of Missouri here.

Hundreds of men and women have obtained good jobs through these requests.

Even the lowest salaries are higher than those paid in other professions. Frequently graduates from the College of Agriculture get jobs paying from $1200 to $1800 a year in the beginning.

There is a great demand for teachers in agricultural schools and high schools. The commerical field is requiring more and more technically trained agricultural workers and various branches of state and government are requiring persons with agricultural training.

Kansas City Stock Letter.

Top Price Yesterday was $17.35 — Hogs Took a Slight Drop, but a Big Demand Keeps Up.

Kansas City Stock Yards, Nov. 5, 1917.—Cattle receipts today were 18,000 head, market steady to strong, regardless of weakness at other points, nothing choice in the early arrivals, but some good Kansas cattle expected late, worth around $15. Hog receipts were 4000, market steady to order buyers, top $17.35, packers bidding 15 to 25 lower at the close. Sheep and lambs today 6000, market weak, best lambs unsold at noon.

Beef Cattle.

Nothing better than $11.75 had been paid up to noon, this price given for Pansas grazed branded steers weighing 1150 lbs. Lighter steers sold down to $8.50, steady with recent advances, the steer market 25 to 35 higher than a week ago, and materially higher than two weeks ago. Cows are strong today, and $1.00 or more higher than three weeks ago, best natives around $10, range westerns and Panhandle cows $6.85 to $9, canners $5.50 to $6.00. Receipts of cows have been liberal, but buyers have a place for more than are coming. Veals are firm, up to $13.25.

Stockers and Feeders.

Buyers were scarce last week, and stock cattle accumulated, especially calves and yearlings. Feeders sold readily last week, buyers in certain sections wanting them to eat soft corn, but stock cattle closed 50 cents or more lower. The market is strong today, on all weights of stockers and feeders, a good many buyers here. Stock steers sell at $6.50 to $9, feeders $8.50 to $11.50.

Hogs.

After making good gains last week, the hog market took a turn downward Saturday, which was continued today at Chicago, but not here on the early market. Order buyers bought all the good hogs at steady prices this morning, best heavy hogs $17.35, medium weight $17.25, light $17.10. Packers came out late and paid 15 to 25 lower, but they got no good hogs, bulk of sales for the day $16.50 to $17.25. Small Eastern killers are proving a powerful factor in keeping up prices, and packers have small chance to bear prices, with the available supply of hogs barely sufficient to supply current needs for fresh pork.

Are You Looking For This

Good land at a low price in the Sunny Uplands of Louisiana; land that can be made to produce more, and at less expense than the highest priced land in the North; land in an ideal climate where Winters are like Spring and Summers are cooled by the delightful Gulf Breezes; long growing seasons; Corn, Cotton, Winter Oats, Cattle, Hogs, Chickens, Delicious Fruits, Potatoes, Sweet Potatoes, Peanuts, Beans, early and late Garden Truck, Strawberries, etc., etc, —an immense variety of products including practically all grown in the North and many besides. Low priced land near good, live towns and cities, with railroads running North and South, East and West; land having splendid possibilities for oil and located less than 100 miles from several of the largest oil refineries in the world. We have already sold more than 45,000 acres of this land. Price $20 to $30 per acre, the last named price being for a few partially improved farms; easy terms. Write us for full information, or come and see us; excursion rates; American Farm Land Company, DeRidder, Louisiana.

Sheep and Lambs.

The market had two good days last week, but has relapsed into its weak and dull condition. Some choice lambs were held at $17.25 here today, but with no chance of realizing more than $16.25 at the outside. Native lambs sold at $16 and some feeding lambs brought $16.40. Apathy of packers is based on the grounds that dressed mutton and lamb are losing money, but stronger prices are expected with colder weather. Breeding ewes are plentiful at reduced prices, $10.50 to $14.50.

When Itching Stops

There is one safe, dependable treatment that relieves itching torture and skin irritation almost instantly and that cleanses and soothes the skin.

Ask any druggist for a 35c or $1 bottle of zemo and apply it as directed. Soon you will find that irritations, pimples, blackheads, eczema, blotches, ringworm and similar skin troubles will disappear.

A little zemo, the penetrating, satisfying liquid, is all that is needed, for it banishes most skin eruptions and makes the skin soft, smooth and healthy.

Notice to Sick Women

The Experience of These Women Prove That There is a Remedy for Your Illness.

Aberdeen, Idaho.—"Last year I suffered from a weakness with pains in my side and back. A friend asked me to try Lydia E. Pinkham's Vegetable Compound and I did so. After taking one bottle I felt very much better. I have now taken three bottles and feel like a different woman. Lydia E. Pinkham's Vegetable Compound is the best medicine I have ever taken and I can recommend it to all suffering women."—Mrs. PERCY PRESTIDGE, Aberdeen, Idaho.

Kingfisher, Okla.—"For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. After taking ten bottles I am now well and strong, have no pain, backache or dizzy spells. Every one tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it."—Miss NINA SOUTHWICK, R. F. D. No. 4, Box 33, Kingfisher, Okla.
